PROJECT PRESENTATION
Thursday, August 21, 2008, 7:00 p.m.
Stockton Boulevard Resource Center
5625 Stockton Boulevard | Sacramento, CA 95820**

Project Team Attendees

Amber Parmer – SASD

Shayna Mayen - HDR | The Hoyt Company

On Thursday evening, August 21, 2008, two Central Trunk Project team members attended the Florin Road Partnership Neighborhood Association Meeting at the Stockton Boulevard Partnership. The meeting held 6 public attendees. The Central Trunk Sewer Rehabilitation Project Presentation came first on the agenda. There was to be a presentation by the Police Department, but they cancelled. Shayna Mayen with HDR | The Hoyt Company introduced Amber Parmer, Project Engineer to kick off the presentation. Amber then gave a fifteen minute presentation on the project utilizing the display boards, and samples of Central Trunk piping. HDR | The Hoyt Company then gave a short overview of public outreach to the audience. Following the presentation, Amber addressed questions from the audience.

During the question and answer session, HDR|The Hoyt Company recorded all comments and questions. See below:

- How long is the pipe when you're putting the liner in?
- How come so much public relations work for a sewer project?
- What impacts will the Fruitridge area have?
- What schools are being contacted?
