

**Sacramento Area Sewer District
Disclaimer for Sewer Information:**

APPROVED PLANS

The attached approved plans depict sewer infrastructure to be constructed within the Sacramento Area Sewer District. All sewer information shown on these approved plans is design information only and is subject to change or revision during construction. As such, these approved plans are not the final and complete plans and may not depict actual field locations and depths of the sewer facilities shown.

The user of the approved plan information must verify actual field locations and depths of the sewer facilities shown. The Sacramento Area Sewer District shall not be held responsible for any represented locations or depths of sewer facilities shown in these approved plans.

Any question may be directed to:
