

SACRAMENTO AREA SEWER DISTRICT

SERVING YOU 24/7

At the Sacramento Area Sewer District (SASD), we take seriously our responsibility to protect public health and the environment for the 1.2 million people we serve. As the region's largest sewage collection utility—and the third largest in California—our job is to make sure the sewer system is working smoothly. And that's a commitment we deliver on 24 hours a day and 365 days a year.
