### Section II: Ability to Repay Loan

Loans up to \$15,000 will be available; property owners are responsible for any costs over this amount. There is a 5 year repayment period at the County of Sacramento's treasury pool earnings interest rate at the time of the loan approval.

---

### Section III: Cost Information

Supply at least one project-specific cost estimate (bid) from a properly licensed contractor for the on-site sewer repairs. The cost estimate(s) are to be attached to the loan application for review and approval by the District. Please sign and date the cost estimate (s) to confirm the applicant's acceptance of the bid

The Cost Table shows those costs covered by the loan program. The applicant is responsible for getting a price quote for these items. The Sewer Diagram depicts private, on-site sewer limits and public sewer limits.

***Please be advised:*** The District will use historical cost data to review reasonableness of scope and cost, and may recommend additional estimates.
